DISCIPLINARY WAGE REDUCTION

ESTABLISHES NEW RATES FOR WORK ON LEGAL HOLIDAYS -- Budapest, Magyar Kozlony,
 4 Mar 52

Resolution No 1,003 of the Council of Ministers, dated 4 March 1952, establishes new rates of compensation for work performed on paid legal holidays.

Under present regulations a worker is entitled, for work performed on paid holidays, to his regular pay, pay for work performed, and 100 percent supplement of the regular pay, or a total of 300 percent of the regular pay. Workers on a monthly pay basis are entitled to supplemental pay in the amount of 100 percent of the regular pay for work performed on paid holidays. Continuance of this system is not justified. Accordingly, the Council of Ministers has resolved the following:

1. Workers (both on piecework and time basis) are entitled to 100 percent and in agriculture 50 percent, supplemental pay, in addition to regular wages, for work performed on paid holidays.
2. No other compensation is due to workers for work performed on paid holidays.
3. Workers on a monthly pay basis are entitled to one 210th part of their monthly pay for each hour of work performed on paid holidays.
4. Executives and other workers who, under existing regulation, are not entitled to overtime pay will not receive any compensation for work performed on paid holidays.
5. The Ministry of Agriculture and the Ministry of State Farms and Forestry, with the concurrence of the Secretariat of the National Wages Commission, are authorized to exempt certain categories of agricultural workers from regulation 4, above. Workers in these exempted categories are entitled to compensation for work performed on paid holidays according to regulations 1-3, above.
